

Black Pepper — Origin & Grade Snapshot

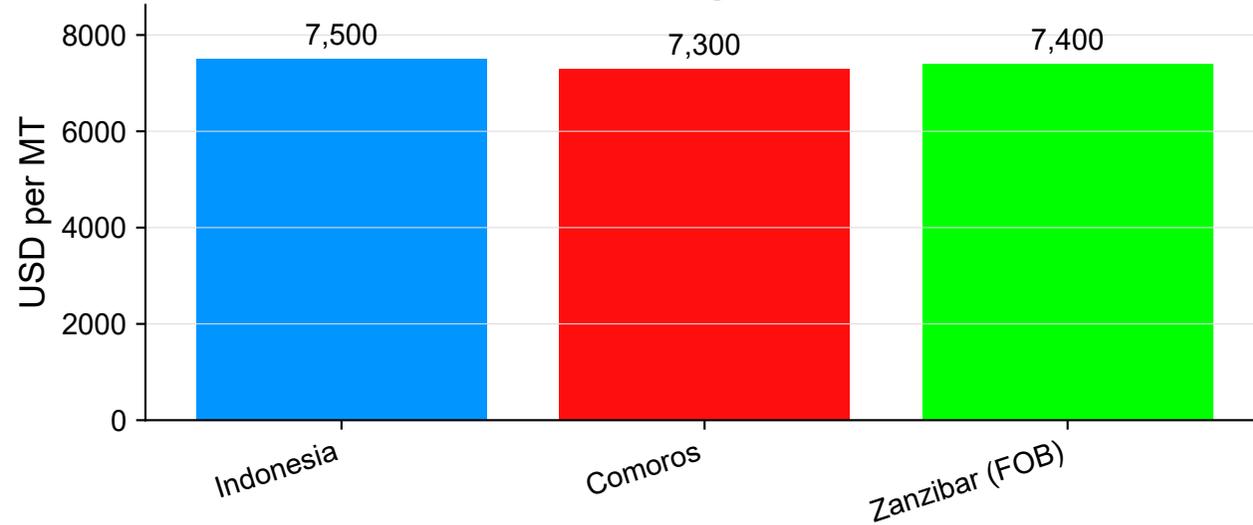

Grade / Origin	Price / Note
VN 500 FAQ	USD 5,750 / MT
VN 500 MC	USD 6,250 / MT
VN 550 MC	USD 6,350 / MT
VN 570 (5mm BOLD MC)	USD 6,650 / MT
Brazil ASTA	USD 6,200 / MT
Brazil B1	USD 6,125 / MT

Market notes & recommendations

- Vietnam farmer selling selective; unsold stocks low. 500–570 g/L offers holding firm.
- Brazil ASTA/B1 slightly below Vietnam providing a practical reference floor.
- Bias steady-to-firm into early November; buy on dips for Q4. Verify specs/pesticide programs.

Cloves — Origin Snapshot

Market notes & recommendations

- Indonesia old-crop drawdown; higher-oil grades tighter; local factory demand supportive.
- Madagascar new-crop into November; arrival pace will shape offers.
- Near-term supported to slightly firm; stagger coverage and lock quality-critical specs early.

Grade / Origin	Price / Note
